If at any time the puppy/dog has produced any offspring, [(a)] Buyer must return the puppy/dog to Breeder immediately [and pay Breeder \$5,000 per litter of offspring][GD9] and (b) all of Breeder’s warranties set forth in this Agreement will become null and void.

6. **Breeder’s Obligations.** Breeder represents and warrants the following:

Ownership. Breeder is the lawful owner of the puppy/dog and has the right to transfer ownership of the puppy/dog to Buyer. Ownership of the puppy/dog will be transferred to Buyer [upon Buyer’s payment of the full Purchase Price][GD10].

State of Health: Short-Term Health Warranty. The puppy/dog (i) was previously examined by a licensed veterinarian and was found to be in good health at that time and (ii) has had the immunizations enumerated in the health records provided to Buyer. Buyer, at its own expense, must have the puppy/dog examined by a licensed veterinarian within 72 hours [(or a longer period of time with Breeder's prior written consent if Buyer notifies Breeder that Buyer is unable to obtain an examination because of reasons related to COVID-19)][GD11] of receiving the puppy/dog (the "**Examination Period**") for the guarantee in this section to be valid. If, within the Examination Period, a licensed veterinarian finds the puppy/dog to be unhealthy or unfit for sale, the puppy/dog may be returned to Breeder for another puppy/dog. The veterinarian must provide a written statement deeming the puppy/dog "unfit for purchase", which must be sent to Breeder within 48 hours of the veterinary examination. The foregoing guarantee expressly excludes (x) any health issues caused by Buyer's ill-treatment, abuse or neglect, (y) any health issues that result from the puppy/dog's transportation from Breeder to Buyer and (z) all minor illnesses and health issues, including upper respiratory infections, cherry eye, over/under bite, allergic reactions, stress colitis/diarrhea, internal or external parasites(worms, coccidia, giardia) or contagious viruses (including canine parvovirus), UTIs, vaginitis, hooded vulvas, undescended testicles, or umbilical hernias. Jungle Lake Labrador Lodge does not guarantee or warranty the puppy/dog's personality, disposition, or working ability/training. Breeder does not guarantee ability to hunt, white on the chest, or other areas, genetic or health problems, other than therefore mentioned under Guarantee.

Color Dilution Alopecia (CDA): Anytime you buy a dog that expresses the dilution gene (and possible even in non-dilute cases), you run the risk of CDA. Though CDA is not as prominent in the Labrador Retriever as it is in breeds like the Doberman, Doxie, and Chihuahua, please know that it is possible. Before purchasing a dilute, please check out CDA online and know what the worst case scenario might entail. JLL does not guarantee a dog from CDA as currently there is no genetic test for it. There does however seem to be a hereditary component, so please be sure to ask any breeder if they have seen signs in those lines before purchasing a puppy.

There are no money refunds. Jungle Lake Labrador Lodge will not cover any vet bills. In the event of death an autopsy will be required at the owner's expense. Also, in any event a copy of the vet records including all up to date shots and diagnosis must be sent to me. For this guarantee to be good, the puppy must use NuVet vitamins for at least 12 months of age. If this is not done the **guarantee will be null and void**. To order your vitamins you can go directly through me for a discounted price, or you can call 1-800-474-7044 and use order code 582645. They also offer an auto ship at a discount or for multiple bottles.

Long-Term Health Warranty. Breeder provides a **2** [GD12] -year warranty from the puppy/dog's date of birth against any debilitating congenital conditions. For purposes of this section, "debilitating congenital conditions" (i) include **EIC, DM, CNM, PRA, AND HNPK** [GD13] and (ii) expressly do not include those **not tested through embark the date the dog was DNA tested** (for reference only, Good Dog's health testing levels by breed are available here: <https://www.gooddog.com/guide-to-good-dogs-health-testing-levels>). In the event the puppy/dog exhibits symptoms of a suspected debilitating congenital condition, Buyer must immediately

inform Breeder and supply any requested veterinary records to Breeder. Breeder will be given the opportunity to take the puppy/dog to a licensed veterinarian of Breeder's choice for examination.

We do not guarantee that your puppy will pass any hip or eye tests through any organizations such as but not limited to Orthopedic Foundation for Animals. It is understood that hip dysplasia can be caused by poor nutrition, over exercised, or injury and that the puppy/dog is guaranteed only for genetic hip dysplasia. This guarantee is for **26 months** to the original purchaser and is not transferable.

If we declare you are under warranty, we will replace your puppy and give you a first litter pick of your choice. The puppy/dog must not have been bred or a sire to a litter. The puppy/dog can then be returned to us with AKC paperwork in exchange for a new puppy. This puppy must be in good health standing at all times in order for the guarantee to be applicable. We must be provided with the licensed veterinarians, and both pennhip and OFA findings. Exercise must be given in the general requirements. This means no strenuous agility or competitive field training until after a minimum of 18 months old.

4. Returns/Refunds. If it is determined by a licensed veterinarian that the puppy/dog (i) was "unfit for purchase" or (ii) has a genetic disorder that is identified within the warranty periods described above, the Buyer may [keep the puppy/dog or return the puppy/dog for another equivalent puppy/dog. Any replacement for a puppy, due to above said conditions, will be at the cost of the puppy only. For a replacement puppy of a higher cost, the difference will be paid by the buyer. Example: If you paid \$1,000 for your puppy and are looking at a \$1,500 puppy for a replacement, the buyer will pay the difference of \$500.
5. No Other Warranties. No other warranties or guarantees, expressed or implied, are made by Breeder, and the puppy/dog is sold and delivered in an "as is" condition, except as expressly and specifically set forth herein.

7. Buyer's Obligations. Buyer agrees to the following:

1. Proper Care. Buyer will provide good and proper care of the puppy/dog. Such care includes providing adequate housing and protection from the elements, a safe (preferably fenced) exercise area, and proper and sufficient nutrition.  1. Proper nutrition to support ideal growth and maintain optimum body condition. Buyer will not overfeed the puppy/dog nor allow it to become overweight;

 2. Proper daily exercise to maintain the puppy/dog in good condition, but no forced exercise (such as jogging) until the puppy/dog is full grown or the activity is approved by a licensed veterinarian; and

4. Sale Prohibition. Buyer is not acting as an agent in the purchase of the puppy/dog. Buyer agrees neither the puppy/dog, nor any offspring of the puppy/dog, shall be used for purposes of vivisection or research. Buyer also agrees neither the puppy/dog, nor any progeny of the puppy/dog, shall be sold by or through any commercial broker or wholesale establishment, any chain store, catalog sales house or pet store.

5. Restrictions on Transfer. If, at any time, Buyer is unable to keep or care for the puppy/dog (including upon Buyer's death or incapacity), at Breeder's sole election, the puppy shall be (a) returned to Breeder together with duly executed documentation transferring Buyer's ownership interest in the puppy/dog to Breeder or (b) rehomed by Buyer with Breeder's prior written approval, in each case without any refunds or payments due to Buyer. If, following receipt, Breeder decides to rehome the puppy/dog, Breeder may elect to refund Buyer a portion of the original Purchase Price after deducting applicable maintenance, training, veterinary and other costs. Such refund amount shall be determined by Breeder in its sole discretion. Buyer acknowledges that the refund amount may be significantly less than the puppy/dog's original Purchase Price depending upon the age, training, and condition of the puppy/dog.

6. No Transfer Outside of the United States. Buyer further agrees that the puppy/dog will not be sold to anyone residing outside of the United States without Breeder's prior written approval.

7. Spay/Neuter Provision. The right to ownership of the puppy/dog is conditioned upon Buyer paying all costs and expenses to spay/neuter the puppy/dog [no later than the age of 2 ½ but not before 1 ½ or when growth plates are done growing or health reasons stated by Vet_] and providing proof of such spaying/neutering to Breeder immediately upon completion (if requested by Breeder). [In addition to such other remedies as may be available to Breeder in an action in equity and/or at law for any violation of the terms of this Agreement, Buyer will be subject to, and hereby agrees to pay, as a penalty, the sum of \$1,000 if puppy/dog is not spayed/neutered in accordance with this Agreement.]
[GD15]
8. Breach by Buyer. Buyer's breach of any of the foregoing obligations shall result in Breeder's warranties set forth in this Agreement being null and void.
9. If puppy/dog is not microchipped at the time of sale it will need to be microchipped within 1 month, and have a copy sent to Jungle Lake Labrador Lodge in order for any guarantees to be Applicable. (This is strictly for the safe return of your dog so it does not fall into the system of a shelter) **Jungle Lake Labrador Lodge prohibits buyers to take animals to a shelter or resale.** The buyer agrees to contact Jungle Lake Labrador Lodge first in the case of the buyer not being able to care for their labrador anymore.

NO MICROCHIP NO GUARANTEE.

8. **Ongoing Communications.** Both parties agree to promptly notify the other of any change of address, email or phone number. Buyer agrees to (a) maintain contact with Breeder regarding the puppy/dog at least once each calendar year, and to reply as promptly as possible to inquiries about the puppy/dog from Breeder; (b) inform Breeder of any titles completed by the puppy/dog as determined by the American Kennel Club or other registr(y)(ies) and (c) inform Breeder of any major change in the health of the puppy/dog throughout the puppy/dog's life, including, but not limited to, cancer, epilepsy, heart, eye or hearing conditions, allergies, bleeding disorders or autoimmune disease, and behavior problems particularly fear, anxiety or aggression. Buyer will, upon the natural or accidental death of the puppy/dog, promptly notify Breeder of the particulars of the animal's death.
